

Dilbarov Uktamjon

SCHOLARSHIP

To: Uzbekistan Youth Affairs Agency

Dear Mr Fazliddin Bakhromov

My name is Uktamjon and I would like to express my interest in applying for the scholarship provided by Uzbekistan Youth Affairs Agency. I have always dreamed of becoming a software engineer and helping give back to my country, and I believe that a bachelor in IT sphere from INHA university would set me miles ahead to reaching my goal.

My passion for programming started when I was studying in high school. Since then I started to learn about IT and I gained some skills that may benefit both myself and the society. I possess good programming skills, hardworking and learning skills. Additionally, my abilities extend to communication and innovation with proficiency in problem-solving. These qualities will help to support Uzbekistan Youth Affairs Agency's mission while reflecting positively on the professionalism and competencies in its employees. As far as I now, Uzbekistan is not among top 10 countries in the IT sphere. So my main goal is study my major sincerely and work hard to make my country among leading countries in IT industry.

I was following your company for a while and I really like the work you are doing. My favorite project organized by you is IMKON project, it gives an opportunity to study in IT sphere for those who lack financial support. I believe this will have a great impact on development of this sphere in our country. Because money should not be obstacle for those who are eager to learn.

For further details of my qualifications, background, and contributions, please take a moment to review my enclosed resume. I believe that I can successfully win the scholarship and be a candidate you're seeking and I welcome the opportunity to speak with you at your earliest convenience.

Sincerely, Uktamjon Dilbarov
